(December 30, 2011) Windermere Real Estate is proud to welcome Sue Turner to its Laguna Niguel office located at 27611 La Paz Road, Suite D. Sue, who earned her Bachelor's degree in Fine Arts with an emphasis on consumer marketing at the University of Kansas, comes to Windermere with 8 years' experience in Southern California coastal real estate. She brings along the knowledge gained as a sales account executive with Levi-Strauss and Company, where she was named Account Executive of the Year. Sue is a certified short sale specialist, and counts relocation among her areas of distinction. Peers describe Sue as a consistent, hard-working performer with a proven track record of satisfied clients and referrals. What brought Sue and Windermere together? "I'm an individual who always gives my very best," she says. "I believe in doing things the right way. Windermere's reputation for great customer service appealed to my own values of honesty, great service, and exceptional communication." A long-time resident of San Juan Capistrano, Sue is noted for her strong negotiating skills and professional marketing plans tailored to each Seller. With her Buyers, she takes the time to learn exactly what they are looking for. By employing the latest technology and methods for buying and selling real estate, she helps her clients navigate through today's complex housing market.
